# About 3S Safety

---

3S Safety Ltd, we're passionate about Safety. For us, Safety is not a Promise made and not fulfilled... it's a Promise Delivered! Our focus is simple... To provide outstanding customer service by delivering a fast and reliable supply link for all of your Safety equipment, PPE, Uniform and on site supplies.

We are a growing company(100% New Zealand owned and operated) with an energetic and skilled team of safety specialists each focused on sourcing your exact requirements and delivering them on time - on budget!

Experience the 3S Safety culture, and straightforward honest approach to business forged on Honesty, Integrity, Respect and commitment to all of our valued customers. A reputation we strive hard to maintain long into the future.

## Sustainability Initiatives

---

### 3S Safety is a Toitu Enviromark Gold Certified facility!

Sustainability is something we take very seriously. As key supply partners to some of NZ's largest organisations, we believe the importance of creating a better world is a journey and a way of life we must embrace. We have invested with Enviro-Mark® (trading as Toit Envirocare) to ensure we are taking all reasonable and possible steps to reduce our impact on the environment. Our business practices are completely transparent and each year we review, measure, and reflect on our impact our operations have had and assess where and how we can make improvements.

## Our Mission

---

### Made Easy

From order to delivery, engaging in business with 3S Safety is always hassle free.

### Professionalism

Everyone deserves to be treated with respect, honesty, and integrity. 3S Safety will deliver every time.

### Trusted Advice

3S Safety has forged a reputation for providing solid, trusted advice to all customers. We listen to our customer's requirements to deliver efficient, cost effective solutions.

### Excellence

Our commitment to excellence is a fundamental expectation our customers, suppliers and employees can enjoy while building strong prosperous relationships.

### Value

3S Safety is committed to aiding cost saving initiatives resulting in the prosperity of our customers and opening the door to strong, long lasting working relationships.

### Innovation

We remain focused on marketing proactive product solutions and forward-thinking initiatives which challenge and encourage development and drive workers to succeed.

## DON'T JUST PROTECT YOUR EYES

## IMPROVE WHAT YOU USE THEM FOR

WITH MULTIPLE TINTS AND TECHNOLOGIES TO CHOOSE FROM, OUR COMFORT SENSE PERCEPTION FILTERING TECHNOLOGY IS DESIGNED TO GO BEYOND PROTECTION AND ENHANCE PERFORMANCE. BY ENSURING OPTIMAL COMFORT AND EXCEPTIONAL VISUAL DEFINITION, NO MATTER WHAT YOUR PARTICULAR SITUATION ENTAILS, CSP LENSES SHIELD YOUR EYES WHILE BOOSTING YOUR SENSES IN ALL UV & LIGHT-SENSITIVE SITUATIONS, INCREASING THE PRECISION OF YOUR MOVEMENTS.

### COMFORT

Visual comfort is all about contrast optimisation and colour enhancement. Regardless of sunlight and glare, you want to keep enjoying precise details and colour accuracy. With CSP, our lense tints are adapted to unique work environments, ushering in a new era of exceptional visual definition.

### SENSE

Sight is one of the key senses that ensures our safety. By perceiving their environment and analysing potential risks, workers are able to ensure their well-being. With EN166 rated lenses, CSP optimises vision even in UV & light-sensitive situations, guaranteeing maximum visual acuity.

### PERCEPTION

Thanks to CSP's unique properties, visual cognition is improved through ultra stimulation. By going beyond what the eye can see, we can take full control of our capacities, for optimal precision and ultimate performance enhancement.
